5.1.4 The Institution has an active International student cell to facilitate study in India program etc.,

The International Student Cell was established in year 2015 as an independent unit of Sri Venkateswara Dental College to promote a global perspective in the teaching and research programs of the College. The Centre works as a liaison office between international students, foreign missions, and national agencies, on the one hand and on the other the college administration. This cell caters to the requirement of foreign students. This cell extends meet and greet service for the international students, health and welfare.

These international students cell also handles incoming visits by international students under students exchange program, prepares a guide for foreign students, and provides visa assistance, travel, and hostel accommodation for them.

The Centre also provides necessary information to the international candidates seeking admission to various courses in abroad universities and to assist them in that process. The Centre does the pre-counselling work for admission of students under Foreign Nationals categories to Undergraduate and Postgraduate programs.

The Institution coordinates, collaborations with bilateral research and academic programs with dental fraternity overseas. Various exchange programs of Faculty and Students are conducted on regular basis. This International Student Cell enhances collaborative research activities to develop a multi-cultural, multi-ethnic and inter-disciplinary learning environment in the college campus.

Role of International Student Cell:

- The International Student Cell is constituted with a purpose to take utmost care of International Students during their stay, from the time of their admission to completion of their study.
- To promote cordial student-student and student-teacher relationship
- Seeking and facilitating opportunities for college staff and students to experience academic life at international partner universities through exchange programs.
