### MESSAGE

It gives me immense pleasure to learn that Indian Dental Convention - MOKSHA is entering its successful 8<sup>th</sup> year and is to be held from 22<sup>nd</sup> to 24<sup>th</sup> March, 2019. I am happy to learn that on this prestigious occasion, a souvenir is also brought out.

Under the visionary leadership of **Puratchi Thalaivi Amma and Hon'ble Chief Minister of Tamil Nadu** the State has made giant strides on all the aspects of health sector. Tamil Nadu has emerged as a model State in not only providing 'State of Art' health care services but also in achieving health indicators on par with Developed Nations.

The Indian Dental Convention is peculiar in which the talents of an individual in the field of academics, sports and cultural are recognized and rewarded. I am sure that this event will surely bring out hidden talents of the budding dental surgeons. I believe the Convention of this nature will certainly motivate the students and empower them to achieve their goals in life.

I take this opportunity to wish the event a grand success.
