Dr. Ishari K. Ganesh

FOUNDER - CHAIRMAN

Growing from a humble beginning in 1992, VELS Group of Institutions are now spread across 4 Campuses within the city of Chennai. Vels Institute of Science, Technology and Advanced Studies (VELS University) has successfully marched into the sixth year since it was declared as Deemed to be University in 2008. Vels University enjoys a respectable position as a seat of learning and research amongst the reputed universities in India. It is indeed a matter of great satisfaction for me to note that significant improvements have been made in the sphere of imparting higher education at the University.

Sri Venkateswara Dental College & Hospital, a unit of Vels Group of Institutions was started in the year 2007 with the main objective to produce high quality dental surgeons and provide quality dental treatment to the rural population. Sri Venkateswara Dental College and Hospital offers the best and the right educational environment in dental medicine, producing professionals who possess the capacity and ability to deal with an ever-increasing knowledge base and rapid technological changes. Innovative research facilities and teaching methodologies have been introduced which will greatly help to create an atmosphere essential for acquiring a high academic standard.

I am happy to know that college has produced university ranks and many alumni are pursuing postgraduation as well as employed in many leading corporate hospitals for their sound knowledge and training received at our college.

Our Vision is to strive to make the institution a model of excellence with global standards of education and provide students with equal opportunities, assure freedom of thought and expression, and promote positive change and social justice for betterment of mankind.

I welcome the aspiring youth to join us to realize the objectives of the institution and achieve the goals of our vision.

OUR VISION

To provide high quality dental education program at undergraduate and postgraduate level.

To facilitate the students to acquire knowledge in basic behavioral and clinical sciences for general practice of dentistry, dental specialities, research and teaching.

To provide comprehensive primary and specialized oral health care to people, especially marginalized groups and disseminate knowledge of disease prevention to the public, and continuing dental education to professionals.

OUR MISSION

To build and provide world class infrastructure and facilities with quality teachers and to conduct valid academic programs of practical and real world knowledge of dentistry.

To transfer scientific knowledge to achieve professional skill and personal qualities of international standard.

To create infrastructure and hospital facilities to serve the public including free service to the poor and needy.

QUALITY ASSURANCE

Quality of both manpower and service to promote quality education to convert a novice into a competent expert ensured by observing global standard practices in imparting education and dental services.

INTRODUCTION

VELS Group of Institutions was established in 1992 with the aim of transforming an individual into a complete man with character and ability committed to national service and development. VELS Group was founded by Dr. Ishari K. Ganesh, M. Com., M.B.A, M.L., Ph.D., a visionary and an eminent educationist, in fond memory of his father Shri. Isari Velan, the Former Deputy Minister in the popular Government of Dr. MGR. The main motive of VELS Group of Institutions is to take education to the humble thresholds of first generation learners and weaker sections of the society.

OBJECTIVES

- To provide job oriented education
- To prepare the younger generation for a better future by improving their capabilities to face the competition
- To provide social justice to socially backward by extending educational facilities to them

The twenty-three-year old VELS Group of Institutions under the dynamic leadership of its Chairman, Dr. Ishari K. Ganesh, a visionary and experienced educationist, has a strong reputation in the academic scene of Chennai city. VELS Group is running 10 institutions at 4 campuses in and around Chennai in multi-disciplinary & diversified fields and their valuable experience provides an impetus for the overall growth of the institution as well as that of students.

The management is committed to provide the best education affordable to all with excellent infrastructure combined with effective teaching.

In appreciation of the services of VELS Group for the cause of higher education, the University Grants Commission (UGC) has granted Deemed to be the University status to it under section 3 of the UGC Act, 1956.

The University, Colleges, and Schools are unaided, co-educational institutions approved by the Government of Tamil Nadu.

VELS Group gives equal opportunity to students of all creeds. It is secular in spirit and cosmopolitan in outlook.

LOCATION

Sri Venkateswara Dental College and Hospital campus (Vels Thalambur campus) is located in Thalambur which is 20 kms from Adayar, 16kms from Tidel Park and 3kms from Navalur off the Rajiv Gandhi Salai (OMR), IT Highway of Tamil Nadu. It is located just before the SIPCOT Software and Biotechnology Parks in Siruseri. Old Mahabalipuram Road is a 4-lane highway, with public transport buses flying frequently. VELS Group has its own fleet of buses connecting the campus with different points of Chennai city and suburbs. The campus is situated in a calm and peaceful area amidst sylvan surroundings with an atmosphere conducive to academic pursuits. The institutions at VELS Thalambur Campus are managed by Vels Institutes of Sciences, Technology and Advanced Studies (VISTAS). Shri Isari Velan Mission Hospital, a palliative care center is also situated within the campus.

SOUTH CAMPUS (THALAMBUR)

Sri Venkateswara Dental College and Hospital

The 23-year-old VELS Group, having gained rich experience in managing many paramedical institutions namely Vels College of Pharmacy (1992), Vels College of Physiotherapy (1993), Venkateswara Nursing College (2006) and Vels School of Nursing (2007), has extended its sphere of activity by starting Dental Science Programme at Sri Venkateswara Dental College and Hospital in 2007.

Sri Venkateswara Dental College and Hospital offers the best and the right educational environment in dental medicine, producing professionals who possess the capacity and ability to deal with an ever-increasing knowledge base and rapid technological changes. The transformation of students as outstanding professionals truly lies in the hands of the faculty in an educational institution.

Sri Venkateswara Dental College & Hospital is headed by a renowned dentist, Dr.Lodd Mahendra, M.D.S., M.Orth., RCS (Edinburgh), Orthodontist, as Principal and Dr. V. Rangarajan, M.D.S. (Prosthodontics), Diplomat of ICOI, as Vice Principal. The institution has a team of qualified, experienced and dedicated faculty who have earned solid reputation as experts in their fields. This premier institution takes pride in creating professionals who are competent and efficient leaders of tomorrow. This institution provides a strong academic base and patient centered practical education with excellent research facilities and fully equipped clinics.

OBJECTIVES AND FOCUS

The objective of the Institution is to produce high quality dental surgeons and provide quality dental treatment to the rural population.

COURSE

Bachelor of Dental Surgery (B.D.S) 4+1 year Internship. The focus of dentistry in the present times is not only on prevention and treatment of dental diseases but on meeting the demand for better aesthetics. Thus dentistry is emerging as one of the most progressive and challenging medical sciences.

FACULTY

The transformation of students as outstanding professionals truly lies in the hands of the faculty in an educational institution. The institution has a team of qualified, experienced and dedicated faculty to train the students.

CLINICAL DEPARTMENTS

1. DEPARTMENT OF ORTHODONTICS & DENTOFACIAL ORTHOPEDICS

The Department of Orthodontics and Dentofacial Orthopedics is one of the oldest specialities in dentistry. It deals with correction of dental malocclusion and correction of skeletal deformity with growth modulation or surgical orthodontics. We believe in sculpting a better smile to lead a better life. Department offers services in treating malocclusions with Removable orthodontic appliances, fixed orthodontic appliances, Growth modification through functional/orthopedic appliances, Periodontally accelerated osteogenic orthodontics, correction of severe deformity through orthodontic treatment like miniscrew anchorage / orthodontic treatment assisted orthognathic surgery.

2. DEPARTMENT OF PROSTHODONTICS & CROWN & BRIDGE

Prosthodontics is the department, which aims at improving the oral health status of geriatric patient by providing dentures thereby increasing the chewing efficiency and self-confidence leading to improved quality of life. Department vision is as follows – perpetual preservation of what remains is utmost important than meticulous replacement of what has been lost.

3. DEPARTMENT OF CONSERVATIVE DENTISTRY & ENDODONTICS

The Department of Conservative Dentistry and Endodontics is dedicated towards quality education of dental student in the subject of Conservative Dentistry and Endodontics along with the preclinical and clinical skills for the management of various clinical cases, which includes diagnosis, treatment planning, follow up and post treatment care. Apart from the curriculum given by Dental Council of India, research work in the various fields of Conservative Dentistry and Endodontics including latest advancements and technological development are being carried out by the department. The department has a preclinical wing which is devoted towards the teaching and training the under graduate students about the basics of the subjects preparing them to face the various challenges in clinical wing and bringing out the best dental health care professionals in them.

4. DEPARTMENT OF PERIODONTICS

Periodontics is a department which deals with diagnosis, treatment and prevention of diseases affecting the gums and supporting structures of the teeth, and study of dental implants. The department provides clinical training for the undergraduate students and caters to the periodontic needs for the patients. The department provides various treatment facilities like scaling & root planing, splinting, gingivectomy, flap surgeries, mucogingival surgeries and dental implants. The department consists of latest equipments like implant units, dental operating microscopes and lasers.

5. DEPARTMENT OF ORAL & MAXILLOFACIAL SURGERY.

Oral and Maxillofacial Surgery is a specialty of medicine and dentistry that focuses on the diagnosis, surgical treatment, and management of diseases and disorders of the face and jaws. The department trains students in treating trauma, congenital and acquired defects and disorders, facial infections, cancers of the head and neck region, as well as to perform extractions, placement of dental implants, and dental anesthesia and sedation. The department handles minor oral surgical procedures and cases under General anesthesia and also provides basic Life Support Program since 2012.

6. ORAL AND MAXILLOFACIAL PATHOLOGY

Oral and maxillofacial pathology is the specialty of dentistry and pathology that investigates the cause, nature, process and effects of the diseases affecting the oral and maxillofacial regions. Department of oral pathology is also involved in training the undergraduates in oral biology, a composite of basic Dental Sciences & their clinical applications which includes instructions in the subject of Dental Morphology, Oral Embryology, Oral Histology and Oral Physiology. This is essential for understanding the histological basis of various dental treatment procedures.

7. ORAL MEDICINE, DIAGNOSIS & RADIOLOGY

Oral medicine is a specialty within dentistry that focuses on the diagnosis and management of complex diagnostic and medical disorders affecting the mouth and jaws. Clinicians with advanced training in this discipline manage oral mucosal disease, salivary gland disorders, and facial pain syndromes and also provide dental care for patients with complicated medical disease. Our department also trains students in taking and processing Intraoral and Extraoral radiographs.

8. DEPARTMENT OF PEDODONTICS AND PREVENTIVE DENTISTRY:

Paedodontics is an age defined specialty that provides primary and comprehensive, Preventive and Therapeutic oral health care for infants and Children through adolescence, including those with special health care needs. The implicit in the philosophy of children's dentistry is a commitment to consider the child's feelings, to gain the child's confidence and co-operation to perform the treatment in kind and sympathetic manner, to be concerned with not only providing the treatment currently required but also promoting child's future dental health by stimulating the attitude and regarding dental-behavior.

9. DEPARTMENT OF PUBLIC HEALTH DENTISTRY

Department of Public health dentistry, earlier known as Department of Preventive and Community dentistry focuses mainly on serving the needy, under privileged locality people through the outreach activities. Outreach activities includes

Free dental screening & Treatment camps.

Dental screening & Treatment via PHC in collaboration with TN Govt.

Stimulating, Implementing dental health awareness to the people through mimes, social dramas, short films, health education posters & videos, rallies.

Another important part of the department is "RESEARCH", encourage students in performing research activities.

In the last three years 42578 patients were benefited via camps and 24381 patients were benefited via PHCs.

HEAD OF DEPARTMENTS

Dr. LODD MAHENDRA - PRINCIPAL,

PROFESSOR AND HOD-DEPT OF ORTHODONTICS & DENTOFACIAL ORTHOPEDICS

Dr. LODD MAHENDRA completed his Bachelor of Dental Surgery in 1981 from Madras University. He was adjudged the Best Outgoing student in 1981 and has been awarded with numerous medals and prizes. He completed his Masters in Dental Surgery (Orthodontics) from Government Dental College, Chennai in 1986. He has completed his M.S in orthodontics from Edinburgh University. He has a rich experience in training Undergraduate and Postgraduate students for the past 30 years. He has held numerous important posts like Chairman, Indian Board of Orthodontics and Editor, Journal of Indian Orthodontic Society. He has several presentations and publications to his credit.

Dr. V. RANGARAJAN - VICE PRINCIPAL,

PROFESSOR AND HOD-DEPT OF PROSTHODONTICS & CROWN & BRIDGE

Dr. V. RANGARAJAN, an eminent Prosthodontist, completed his bachelors from Annamalai University, Tamil Nadu and Masters Degree from Dr. R. Ahamed Dental College, Kolkata. He has held numerous posts in the past such as Former member of DCI, Secretary & treasurer of Indian Prosthodontic Society, Immediate past President of Indian Dental Association (Madras Branch), Editorial board of Journal of Indian Prosthodontic Society and Indian Journal of Research, Faculty member of Board of Studies for Rajiv Gandhi University of Health and Sciences, Guest speaker in Asian Academy of Prosthodontics (AAP) in November 2014 at Taiwan, Organising Secretary of Asian Academy of Prosthodontics. He is a Diplomate of ICOI and has undergone training in Germany and USA. He has authored Textbook of Prosthodontics in 2013.

Dr. M. R. SRINIVASAN

PROFESSOR AND HOD-DEPT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

Dr. M. R. SRINIVASAN has 27 years of experience as teaching faculty. He has won fellowship award from ISDR. He has 23 publications to his credit and has delivered innumerable guest lectures. He served as the Secretary General of Indian Society of Dental Research and has served as Executive Committee member, Vice President and President for IACDE. He is a member of the editorial Board of Journal of Conservative Dentistry and Journal of Indian Dental Association. He has authored chapters in the book "Face-1" and "Face-2" by Dr. Lakshmi Narayanan.

Dr. S. SABITHA SUDARSAN,

PROFESSOR AND HOD-DEPT OF PERIODONTICS

Dr. S. SABITHA SUDHARSAN has more than 20 years of experience as teaching faculty. She completed her Bachelors and Masters Degree from Government Dental College, Chennai. She has innumerable national and international publications to her credit. She has co-authored a book on Evidence based Periodontics. She has guided Postgraduate students in their dissertation and has served as inspector for DCI and Tamil Nadu Dr. MGR Medical University.

HEAD OF DEPARTMENTS

Dr. T. SRINIVASA PRASAD

PROFESSOR AND HOD-DEPT OF ORAL & MAXILLOFACIAL SURGERY

Dr. T. SRINIVASA PRASAD completed his Bachelor's degree from Vinayaka Mission Dental College and his Masters degree in oral maxillofacial surgery from Annamalai University, Tamil Nadu. He has 15 years of teaching experience and is a Fellow member of the Association of Oral and Maxillofacial Surgeons of India. He holds the position of DCI Inspector for the Dental Council of India. He is University external examiner for UG and PG course. He also serves as University Exam paper setter for Tamil Nadu Dr. MGR Medical University.

Dr. S. NALIN KUMAR

PROFESSOR –DEPT ORAL PATHOLOGY AND ORAL MICROBIOLOGY

Dr. NALIN KUMAR completed his Bachelor and Masters from Ragas Dental College. He has published 30 National and International articles. He was awarded "Best Teacher Award "by the TN Dr.MGR Medical University on 6th March -Dentist Day 2012.

Dr. T.L. Selva Kumari

Dept. of Anatomy

Dr. R.S. Rajalakshmi

Dept. of Bio-chemistry

Dr. K. Thiruneelakandan

Dept. of Microbiology

Dr. S. Manickan

Dept. of Physiology

Dr. Rama Gopalan

Dept. of General Pathology

Dr. S. Premkumari

Department of Pharmacology

ACADEMIC EXCELLENCE

Ms. B. Niranjana, first batch student of Sri Venkateswara Dental College and Hospital secured triple university gold medal for ranking first in University exams. She won Prof. B. P. Rajan Gold Medal for securing University First Rank in Oral Maxillofacial Surgery, Dr. N. Gnanasundaram Endowment for securing university First Rank in Oral Medicine & Radiology and for ranking overall First in University Exams.

She received the triple gold medal from the Honourable Chief Minister of Tamil Nadu, Dr. J. Jayalalitha & His Excellency, Governor of Tamil Nadu, Dr. K. Rosaiah at the Silver Jubilee year 25th Convocation held at the Centenary Auditorium, University of Madras, Chepauk, Chennai on 20.08.2013.

As per the policy of the institution and management, Ms. B. Niranjana was awarded a cash prize of Rs.3, 00,000 for her academic excellence by Dr. Ishari K. Ganesh, Founder-Chairman, VELS Group of Institutions during the College Day Celebrations held at Dr.Abdul kalam Convention Centre at Sri Venkateswara Dental College and Hospital on 27th November 2013.

Ms. Samala Abhinaya, first batch student won the university gold medal for securing university first mark in Pedodontics from the Honourable Chief Minister of Tamil Nadu, Dr. J. Jayalalitha & His Excellency, Governor of Tamil Nadu, Dr.K.Rosaiah at the Silver Jubilee year 25th Convocation held at the Centenary Auditorium, University of Madras, Chepauk, Chennai on 20.08.2013.

Subjects of Study

The course consists of four years of study:

First year BDS

1. General Anatomy including Embryology and Histology
2. General Human Physiology and Biochemistry
3. Dental Anatomy, Embryology and Oral Histology

Second year BDS

1. General Pathology and Microbiology
2. General Dental Pharmacology and Therapeutics
3. Dental Materials
4. Pre Clinical Conservative Dentistry (Only Practical and Viva)
5. Pre Clinical Prosthodontics (Only Practical and Viva)

Third year BDS

1. General Medicine
2. General Surgery
3. Oral Pathology and Oral Microbiology

Fourth year BDS

1. Oral Medicine and Radiology
2. Pediatric & Preventive Dentistry
3. Orthodontics & Dentofacial Orthopaedics
4. Periodontology
5. Prosthodontics and Crown & Bridge
6. Conservative Dentistry and Endodontics
7. Oral and Maxillofacial Surgery
8. Public Health Dentistry

LABORATORY FACILITIES

The entire departments in Dentistry are equipped with state-of-the-art facilities and latest equipments. The establishment of the following laboratories in spacious halls is a special feature of this institution.

- Anatomy Museum
- Anatomy Dissection Lab
- Biochemistry lab
- Dental Clinics
- Physiology Lab
- Haematology lab
- Preclinical Prosthodontic Lab
- Preclinical Conservative Lab
- Minor Operation Theatre
- X-Ray Lab
- Phantom Head Lab
- Audio Visual Room
- Computer Lab
- Digital Library
- Auditorium

LECTURE HALLS:

Individual lecture halls for each year that are Air conditioned and fully equipped with excellent acoustic systems, adequate teaching and learning facilities including audio visual aids,, LCD projectors and ample seating capacity.

LIBRARY:

The central library of the institution serves as the 'Center for knowledge' with a seating capacity of 200–300. It houses 3260 books with 1097 back volumes. A total of 15 national and international journals are subscribed in the library. Further, it has e-learning resources in the form of EBSCO and ERMED. It has various sections including staff reading room, journal section, reading hall, stack section and photo copying facility. The library functions from 8.30 A.M to 8.00 P.M. Faculty and students can avail the borrowing facility against their Identity card.

HOSPITAL:

Shri Isari Velan Mission Hospital was established in 2012 with the objective of providing affordable health care to the weaker section of the society. Located within the institution campus, it also serves as a teaching hospital for undergraduate dental students. It is equipped with in-patient and out-patient wards, consultation rooms, operating theatre, observation room, male and female wards, Dialysis ward, physiotherapy department, pharmacy and lab facilities. It houses a palliative care unit for terminally ill patients. Additional facilities such as meditation hall, library, and recreation rooms are present for the benefit of the patients and their attendees.

Dr. Abdul Kalam Convention Centre (AUDITORIUM)

Our Strength is the facilities within the campus. The auditorium serves as the venue for various curricular, extracurricular as well as cultural activities of the institution. Built in a very spacious area it can accommodate around 1500 delegates at a time. The auditorium also houses a fully air condition board room with a seating capacity of 50.

HOSTEL

Sri Venkateswara Dental College and Hospital provides accommodation facilities for both students and staffs. The ambience of these facilities makes them feel at home. The boys and girls hostel have 73 and 143 rooms respectively. Rooms of various sizes that can accommodate two or three or four students are available. Each room is equipped with cot, study table, cupboard, table, chair with good lighting and adequate ventilation. The hostel is supported with 24 hours power back up facility and clean drinking water filtered using R.O system further, the college has also accommodation facilities for the faculty. The staff quarters consists of four blocks of buildings. There are two double bed room flats with attached bath rooms in the ground floor of each block. In total, there are eight double bed room flats for the occupation of staffs.

Mess :

The mess in the campus runs through a catering contractor. There are separate dining portions for girls and boys. The mess is provided with latest infrastructure and adequate ventilation and exhaust fans etc. About 200 students can dine at any given time. In addition to the above, a separate cafeteria to cater to the need of the day scholars is also available here. Good quality raw materials are used in this canteen and cooking is done with R.O water..

TRANSPORT

Sri Venkateswara Dental College and Hospital operates college buses in different routes to different parts of the city to facilitate ease of transport of the students and staffs to the college. These buses drop the students and staffs back to their respective bus stops after the college. Separate buses on special routes operate to and fro nearby areas for patients comfort.

BOARD ROOM

Sri Venkateswara Dental College and Hospital has two Board Rooms to conduct the regular staff meeting and Annual General Body meeting. The Board rooms are air- conditioned and equipped with audiovisual aids.

SPORTS AND GAMES

"A sound mind in sound body ". Keeping this in mind the institution has set up a huge playground with basketball, volleyball, throw ball, kho kho courts etc. There is separate room for Indoor games including Table Tennis, Chess and Carroms. Apart from that a gymnasium with advanced fitness equipments has been made available to students within the campus. The institution has a well qualified physical director to train the students in sports and games.

TEMPLE

The Institution has an in house temple that is located within the campus which showers the blessings of Lord GnanaVinayagar.

Wi-Fi :

The hostels and staff quarters are Wi-Fi enabled.

Entertainment facilities :

Large TV sets with cable connections have been provided in each hostel and staff quarters.

SOUTH INDIAN UNDERGRADUATE DENTAL CONVENTION

MOKSHAA

The third South Indian Undergraduate Dental Convention - Mokshaa'14 was organised in our college campus on 26th and 27th April 2014. The premier dental Convention was inaugurated by Dr. J. Radhakrishnan IAS, Secretary to the Government, Health and Family Welfare Department, Government of Tamil Nadu and Mr. M. N. Manjunatha IPS, Inspector General of Police, North Zone, Chennai. Dr. J. Radhakrishnan, IAS, in his special address stressed the importance of oral care and its link in systemic diseases. After the grand success of Mokshaa'12 and Mokshaa'13, the third edition of the South Indian Undergraduate Dental Convention- Mokshaa'14 was even bigger with much valour and splendour with 2500 Student delegates from 40 Dental Colleges across South India. About 200 Paper Presentations and 100 Poster Presentations were presented in the Convention. Overall the convention was remarkable and one of its kind in serving as a rostrum to academics, cultural events and sports to chisel out the best in every student delegate. Mokshaa'14 was a complete regal ostentation that would become more sought after event in the years to come.

2012

2013

2014

LOCATION

VELS Group of institutions is located in four campuses

NORTH CAMPUS (PALLAVARAM)

VELS North Campus is situated adjacent to Grand south Trunk Road, Pallavaram, a suburb of Chennai, the capital city of Tamil Nadu, a southern state of India. The campus is surrounded by an inspiring panoramic view of nature with green fields and the Pallavaram hills. The calm and serene atmosphere of this beautiful campus with well laid out roads, gardens, avenue trees and lawns is conducive to physical, intellectual and academic pursuits. At VELS University, Innovative research in various new disciplines and new scientific courses have been introduced which will greatly help to create an atmosphere essential for acquiring a high academic standard. It is commendable that the university has created modern infrastructure to make it possible for students to update their knowledge. The university is also a member of the National Knowledge Network. The university is maintaining a balance between modern trends in education and the enduring values of our nation.

EAST CAMPUS (INJAMBAKKAM)

Veals Billabong High International School is located at Sri Kapaleeshwarar Nagar, Neelankarai on the East Coast Road near the sea front. The primary school has state-of-the-art facilities.

SOUTH CAMPUS (THALAMBUR)

VELS Thalambur campus is located in Thalambur which is 20kms from Adayar, 16kms from Tidel Park and 3kms from Navallur off the Rajiv Gandhi Salai (OMR), IT Highway of Tamil Nadu. It is located just before the SIPCOT Software and Biotechnology Parks in Seruseri. Old Mahabalipuram Road is a 4-lane highway, with public transport buses flying frequently. VELS Group has its own fleet of buses connecting the campus with different points of Chennai city and suburbs. The campus is situated in a calm and peaceful area amidst sylvan surroundings with an atmosphere conducive to academic pursuits. The institutions at VELS Thalambur Campus are managed by Vels Institutes of Sciences, Technology and Advanced Studies (VISTAS). VELS Thalambur campus comprises four institutions – Sri Venkateswara Dental College and Hospital, Venkateswara Nursing College, Vels School of Nursing and Vels College of Physiotherapy.

EAST CAMPUS (NEELANKARAI)

Vaels Billabong High International School's new campus is located at Valmiki Street in Injambakkam on the East Coast Road in a serene area with modern facilities. The infrastructure facilities that have been provided in the two campuses are the best among the International Schools in Chennai
